Oregon Farm Bureau Federation Endorses Liskey in House District 56 Primary

Salem, Ore. – Today, Oregon Farm Bureau Federation announced its endorsement of Tracey Liskey for House District 56, portions of Klamath and Lake Counties.

Barry Bushue, President of the Oregon Farm Bureau, commented, “Tracey’s experience as a successful small businessperson and dedication to helping other Oregonians achieve their personal successes through his advocacy at the local and state level make him a great fit for House District 56. He’s solution oriented, a collaborative leader and a close friend to all of us. I’m thrilled with his decision to seek election. Our vote today shows state-wide support for his new endeavor.”

“While Tracey has been a dedicated leader in Oregon Farm Bureau for over two decades, we don’t make endorsements based on membership. Oregon Farm Bureau endorsements are based on a candidate’s positions on issues important to farm and ranch families. Tracey has a track record of dedication and success as a small business owner, innovator, and leader in his community. He knows what it takes to create jobs in the private sector, and he knows what public policies help create jobs and which ones get in the way. It’s rare to have a candidate with Tracey Liskey’s combination of experience, knowledge, and skill. He will be an outstanding representative for HD 56,” said Dave Dillon, Executive Director of the Farm Bureau.

The Oregon Farm Bureau Federation (OFBF) represents its 8,000 farming and ranching members statewide who are professionally engaged in agriculture and represent Oregon’s vast commodity diversity. OFB is a voluntary, grassroots, nonprofit organization representing the interests of the state’s farmers and ranchers in the public and policymaking arenas. As Oregon’s largest general farm organization, our primary goal is to promote educational improvement, economic opportunity, and social advancement for its members and the farming, ranching, and natural resources industry as a whole.
